FY 2018 EXTENSION OF WORKSHARING AGREEMENT

Inasmuch as there have been no substantive changes in the processes, procedures, statutes, policies or regulations that would adversely affect or substantially alter the work sharing arrangement between the Los Angeles District Office and the Guam Department of Labor, or that would affect the processing of charges filed under the pertinent Federal, state or local statutes, the parties agree to extend the current work sharing agreement that was executed on October 1, 2013, through the FY 2018 Charge Resolution Contract Option Period, from November 4, 2017, through September 30, 2018. The agencies agree to work together in furtherance of the provisions of EEOC’s current Strategic Plan when assessing the allocation of charges under this agreement and to cooperate in compliance and enforcement efforts as well as training, outreach and technical assistance efforts encompassed by the Plan. By executing this extension, the parties agree to abide by the confidentiality provisions of GINA as well as the other statutes cited in the agreement. This agreement, as well as the attendant Worksharing Agreement may be reopened and amended by mutual consent of the parties.
