Pursuant to the requirements of Government Code section 11346.8(c), and section 44 of Title 1 of the California Code of Regulations, the Fair Employment and Housing Council (Council) is providing notice of further changes made to sections 11017.1, 11087-11094, and 11096 of Title 2 of the California Code of Regulations covering the Fair Employment and Housing Act. These further changes are attached and made in response to written comments regarding the proposed regulations received during the 45-day public comment period that ended October 23, 2019. Text proposed to be added for this 15-day comment period is displayed in double underline type. Text proposed to be deleted for this 15-day comment period is displayed in double strikethrough type. In some instances, the text currently under consideration may be both single stricken and double underlined, which means it is text that was previously proposed to be deleted from an existing regulation, which the Council has restored and is no longer proposing to delete. Similarly, text that is both single underlined and double stricken means that the text was previously proposed to be added, but the Council subsequently decided to remove it.
